### **2020 KINDERGARTEN TRANSITION**

Mullumbimby Public School will again host the extremely popular and extended Kindergarten Transition Program this year. The program will run weekly on Wednesday's from **16 October** (Term 4, Week 1) until **20 November** (Term 4, Week 6). Initially the program will run from **9:15am until 11:00am** each Wednesday. As we assess the children's progress the timing may alter to cater for identified needs.

The number of Kindergarten classes formed at the start of next year is dependent on the number of students enrolled.

The extended program is designed to achieve a number of goals. These include:

- Better preparing children for the commencement of primary school.
- Placing children in the structured learning environment of a Kindergarten classroom, allowing the children to gain familiarity with their surrounds and feel more comfortable in their learning environment.
- Build on experiences gained either during pre-schooling or at home to ensure that fundamental concepts are entrenched prior to the commencement of formal schooling in 2020.

**We encourage all children intending to enrol in Kindergarten at Mullumbimby Public School in 2020 to take advantage of this opportunity.**

To aid parents who do not have transport, or whose children attend formal pre-schooling on Wednesdays, a bus (supervised by a staff member) will be provided to transport children to and from designated pick up points within Mullumbimby. These pick up points will be at Cobbers and Dinosaurs pre-school centres.

Below is an expression of interest form for the 2020 Kindergarten Transition Program. Please fill it in and return to school as soon as possible, but no later than **Friday 20 September**. This expression of interest form will form the basis of our planning for the transition program. Once returned we will contact you with a formal program for the commencement of the 2020 Kindergarten Transition Program.

Please do not hesitate to contact the school for more information regarding this program and enrolment for 2020.
